11th Annual Power Up Event

SAME Panama City Post co-sponsored the Gulf Coast Energy Networks 11th Annual Power Up event held 28 & 29 October in Panama City Beach, Florida. Gulf Coast Energy Network was established as a 501(c)(3) non-profit coalition of prominent business, government, and environmental leaders who promote the efficient use of energy and water resources to benefit consumers, the environment and economic growth. The event brought hundreds of experts in architecture, engineering, construction, and power generation together for two days of information sharing,

networking, and business development. Power Up is the largest event for energy + sustainability professionals along the Gulf Coast.

The Power Up 2020 theme was, "Building Smart, Sustainable Communities," addressed rebuilding Northwest Florida, including energy resiliency, efficiency, and renewable energy. Additional topics over the two days included energy finance policies and contract vehicles, including energy pricing, asset valuation, and risk management.

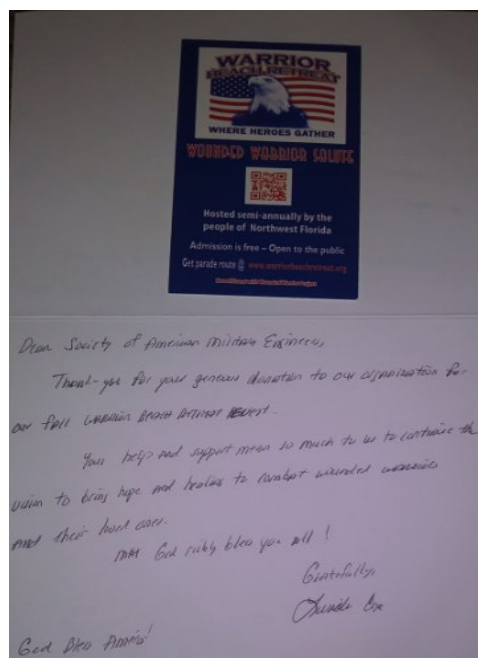

Hybrid Meeting Technical Presentation:

"The Future is Here! Everything You Need to Know About Connected Vehicle Technology!"

- Peter Ashley from Applied Information, Inc.

The post board of directors voted and approved the donation of a \$2,000.00 grant request for the local [Navy League](#) STEM program. Along with that, the [Florida Engineer Society \(FES\)](#), Ms. Jennifer Aldridge, was presented with \$1,000.00 for the regional MATHCOUNTS competition. Continuing along the lines of supporting the SAME goal to build and sustain resilient communities, the board of directors also approved the grant of \$1,500.00 to the [Warrior Beach Retreat, Inc.](#), who are a nonprofit organization that makes it possible for combat wounded soldiers of the Iraq and Afghanistan tours and their spouses/caregivers to spend an entire week away at our relaxing beach retreat here at Panama City Beach, Fl.

Hybrid Meeting Technical Presentation:

“Bay County hurricane recovery, an overview of new flood maps and impacts on flood insurance, and a discussion of the additive costs of new construction permits due to the protection of crayfish”

- Keith Bryant, Director of Public Works, Bay County

Mr. Lawrence ‘Ed’ Manning was selected as a Fellow this year. Mr. Cliff Fetter, F.SAME, noted that Mr. Manning was the only one in our Region to be presented the honor this year, and that Post is looking to hold a formal recognition event. Time, date and venue to be determined. See the [SAME Academy of Fellows Newsletter](#) for the entire list.
