

Jason Evers - Manager of Projects, Defense Contractor Portfolio, Jacobs

Jason Evers, PE, PMP, is a Manager of Projects for the Defense Contractor Portfolio. In this role, Jason is responsible for the leadership and development of existing Defense Contractor Clients; development of relationships with new clients to promote business growth; and for delivery of professional and technical services on time within budget and to agreed upon performance criteria, by providing effective and skilled project management. He previously served as a Jacobs Client Account Manager for the Army/Air Force Portfolio with responsibility for 11 clients across 30 states. In that role, Jason helped develop and resource teams providing AEC services that range from planning to construction oversight for military construction, environmental restoration, and civil works projects.

Jason has over 28 years of experience leading organizations with responsibility for program and project delivery, engineering, operations, and other supporting functions. He is a graduate of Gonzaga University with a Bachelor of Science in Civil Engineering, the University of Washington with a Master of Science in Civil Engineering, and the U.S. Army War College with a Master of Strategic Studies.

Prior to joining Jacobs in 2021, Jason served in the United States Army for 26 years in different locations around the world. His career encompassed assignments with multiple active Army divisions, the United States Military Academy, Army Installation Command, and the US Army Corps of Engineers Huntington, Kansas City and Afghanistan Districts. Since taking his position at Jacobs, Jason has been integral in helping to establish and execute Jacobs' strategy for Civil Works growth and in winning new work within the Northwestern and Great Lakes & Ohio River Divisions.

Jason is an engaging leader and confident communicator, adept at resolving issues within teams and between diverse stakeholders. He is passionate about providing support to our nation's warfighters and assisting our Nation's defense.
