Founded in 1950

SEA TAC AIRPORT *Meet The Agencies*

UPCOMING EVENTS

WHAT: Meet The Agencies

WHERE: Crowne Plaza SeaTac Airport
17338 International Boulevard
Seattle, Washington, 98188

WHEN: January 23th; 7:30am—12:30pm

The cost per person is \$75, \$25 or uniformed and
and Government personnel

<https://www.eventbrite.com/e/same-luncheonstudent-networking-event-tickets-78304305285>

WHAT: **NEW** monthly social networking event.
No RSVP necessary.

WHERE: Join us at 7 seas 2101 Jefferson Ave,
Tacoma, WA

When: 3rd Thursday of every month Come out
with us Jan. 16th 5.00— 7.00pm

Have something to say or show? Tweet us!

@SAMEMtTacoma

THE AGENDA:

The program features senior personnel from seven public agencies with a Puget Sound footprint. Each agency representative to present their known and anticipated upcoming contracting opportunities, projected support needs, and recent funding and other development trends throughout the Pacific Northwest for the next several years. Agencies asked to provide representatives from their acquisition and program management to meet with industry to answer questions about their programs during breaks

New Mem-

We gained three new Mt Tacoma Post members in December:

- Lt (USN ret) Robert Carr
- Mr. Sam Hyatt
- Mr. Taylor Johnson

Welcome!

Emergency Preparedness and Infrastructure Resilience

THE MISSION of the Society of American Military Engineers is “To promote and facilitate engineering support for national security by developing and enhancing relationships and competencies among uniformed services, public and private sector engineers, and related professionals.” One key avenue for the society to accomplish that mission is to make the expertise and capabilities of our members readily available to government agencies responsible for response to natural and manmade disasters. To accomplish that end the Mt. Tacoma and Seattle Posts established an Emergency Preparedness and Infrastructure Resilience (EP&IR) committee.

HISTORICALLY, large-scale response to emergencies has been a partnership between government and private industry. The full support potential of the A/E/C industry in the Puget Sound area can only be reached when the Government’s emergency managers and the executives of the member companies are aware of each other’s requirements and capabilities.

EP&IR COMMITTEE MEMBERS reach out to local, State and Federal agencies to inform them of the capabilities of our sustaining members. The committee has prepared a tri-fold leaflet explaining the mission and purpose of SAME

emergency preparedness. The leaflet contains a listing of member firms who have indicated a readiness to respond to emergencies and disasters.

THE COMMITTEE NEEDS TO KNOW if you or your firm will be available to respond with your resources in the event of a disaster. The key questions are: (1) what capabilities do you offer to emergency managers in the early stages of disaster response and (2) how responsive can you be given that a regional event, such as an earthquake, may damage your facilities including employees’ homes? Any member firm that would like to participate as a listed available resource to government emergency management agencies should contact the Mt. Tacoma or Seattle Post Co-Chair of the Emergency Preparedness and Infrastructure Resilience Committee. In addition, any individual member who would like to work with the Committee is encouraged to contact one of the committee co-chairs.

IF YOU HAVE ANY QUESTIONS about this effort please contact:

Andrew Park, EP&IR Committee Co-Chairman at andrewpark73@gmail.com / (253) 565-1223

or Mike Moran, EP&IR Co-Chairman at michael.moran248@gmail.com / (253) 232-3087.

Monthly Young Member & Student Chapter Networking Event!

U.S. AIR FORCE

COLLEGE / UNIVERSITY STUDENT SCHOLARSHIP

APPLICATION FORM

To be eligible for this scholarship, Applicants must be enrolled in a full time undergraduate Engineering, Architecture, Interior Design, Construction Management or Science degree program at an accredited college or university in the fall term of **2020**. Applicants who have earned an undergraduate degree or who are enrolled in a graduate degree program are not eligible. All applicants must also have a minimum GPA of 2.5 (on a 4.0 basis) to be eligible to apply. No scholarship will be awarded for those pursuing an associate; second undergraduate or graduate school degree. Students attending a community or junior college must be enrolled in a program of studies designed to allow the student to transfer directly into a four-year program. Applicants who receive an appointment to one of the U.S. Military Academies (or affiliated preparatory schools) or are awarded a full scholarship at any accredited U.S. postsecondary institution of higher education are not eligible to receive funds from this program. A full scholarship is usually defined as one that provides for payment of tuition, books, lab fees, and other related expenses. An ROTC scholarship is considered a full scholarship.

NOTE - Preference will be given to Engineering, Architecture, Interior Design or Construction Management curriculum that is related to the construction, operations, or maintenance of facilities, or in some way that supports America's Defense infrastructure. Preference will be given to candidates who are current individual members of the Mt Tacoma Post, or a SAME Student Post, at their college or university. Preference will also be given to candidates whose parent, guardian, or sponsor is a current member of the Mt Tacoma Post of the Society of American Military Engineers (SAME) and/or a member of the National SAME. Detailed evaluation criteria are listed on attachment A. The completed application, including transcripts, must be post marked or e-mailed no later than **30 Apr 2020**. Applicants must submit the original signed application and transcript as well as 5 complete copies. Incomplete applications will not be considered.

Applicant Name _____

1. Name of Scholarship Applicant _____

2. Permanent Mailing Address

Street Address _____

Street Address(2) _____

City _____

State _____

Zip Code _____

Phone Number _____ Email address _____

If there is a better way to contact you, other than the above, please identify: _____

3. Telephone Number _____ E-Mail Address _____

4. Sex: Male _____ Female: _____

5. Date of Birth _____

6. Citizenship: U.S. _____ Other _____

7. MILITARY/ SAME AFFILIATION

a. Military Service or Affiliation (Active, Reserve/NG, Retired, Discharged (type), ROTC, JROTC)

b. SAME Post affiliation

SAME Student Member. Name of Student Post _____

SAME Member. Name of SAME Post _____

Parent/Guardian is SAME Member. Name of member _____

Name of Post _____

Parent/Guardian works at SAME sustaining firm. Firm Name _____

No SAME affiliation.

c. Have you received a previous scholarship from the Society of American Military Engineers? _____ Or from the Mt. Tacoma Post? _____

8. STANDING IN SCHOOL:

a. Name and Address of College/University currently attending

b. What is your major?

c. Year of School as of this Fall Freshman Sophomore Junior Senior

Applicant Name _____

d. Grades/Class Rank

GPA: _____ out of possible _____ points.

Class rank _____ out of _____ students

Credits earned to date _____ Credits required to graduate _____

9. Briefly describe your educational goals.

10. YOUR WORK EXPERIENCE:

List part-time, summer jobs and internships you have held since graduating high school. Preference will be given to applicants with design/construction related work experiences.

Employer	Your Duties	Date of Employment	Hrs./week
----------	-------------	--------------------	-----------

11. ACTIVITIES:

List school and community activities (other than jobs) that you have participated in since graduating high school.

ACTIVITY	Hrs./week and number of years in activity
----------	---

12. HONORS/AWARDS/CERTIFICATIONS:

List any special honors, awards, or certifications you have won, either in or out of school, since graduating high school.

Applicant Name _____

13. FUTURE ENDEAVORS:

Explain what you would like to accomplish in the field of engineering, architecture, construction or science.

14. CERTIFICATION (to be completed by applicant)

I, _____, do hereby certify that I am enrolled in an accredited engineering/architecture/interior design/construction management/science curriculum and the information provided herein is true and accurate to the best of my knowledge and belief, and that if chosen as a recipient of the SAME Mt. Tacoma Post Scholarship; I will utilize the funds received to pay for a portion of my college expenses.

Date _____

Signature of Applicant

Student Member Number & Post Affiliation (if applicable)

15. SPONSOR CERTIFICATION (to be completed by SAME member, if available) SPONSOR'S should include a letter of recommendation.

I, _____, the parent/guardian/sponsor of the above named applicant, do hereby certify that the applicant's certification as to enrollment and intended use of the funds is true and correct.

Date _____

Signature of SAME Member

Member Number & Post Affiliation (if applicable)

16. TRANSCRIPTS:

Please provide a copy of your college/university transcript.
