WELCOME TO THE ST. LOUIS POST

MISSION: "To lead collaborative efforts to identify and resolve national security infrastructure-related challenges."

SAME ST. LOUIS POST PRESIDENT'S MESSAGE

Dear St. Louis Post Members,

We've had a busy spring, and summertime is already upon us. I can barely believe this marks the halfway point through my tenure as the Post President. I have truly enjoyed getting to know many of you, and I really appreciate all the other officers and board members that actually make everything come together so seamlessly. For example, I wanted to send a special shout-out to Michelle Chambliss-Cain, our very

own Regional Vice-President (RVP) for the Missouri River Region. Thanks for all that you've done and continue to do for SAME here in St. Louis, the Region, and across the Nation.

I hope many of you were able to enjoy the Joint Engineer Training Conference (JETC) in Colorado last month. It sounded like a great gathering and very worthwhile for those who were able to attend. The Missouri SAVE Coalition training also went well in early May, with a decent turnout at the Engineers' Club with it being conducted back in person again.

Many of us also enjoyed last month's luncheon hosted at the St. Louis District of the U.S. Army Corps of Engineers (USACE) at the "Service Base" along the Mississippi River. Participants got to learn about the 90-year-old *Dredge Potter* and the mission to dredge a 9-ft channel for navigation on our inland waterways. Photos are available at the following link: <https://photos.app.goo.gl/tCdgmblShajlJYwp8>.

Thanks for those of you who were able to support the Scott Field Post of SAME

JUN 15 — USACE ST. LOUIS INDUSTRY DAY

Industry Day for Lock and Dam 25, New 1,200 ft Lock Project as part of the Navigation & Ecosystem Sustainability Program (NESP).

JUN 16 — TRAP SHOOTING & SOCIAL

Second annual Trap Shooting & Social event to network and enjoy an outdoor activity.

JUN 17 — SCHOLARSHIP DEADLINE

The SAME college scholarship application deadline has been extended.

with their annual golf tournament at Scott AFB. It was a great day for friendly competition and conversation — all for a good cause! Lastly, we hope to see you at the upcoming monthly luncheons, and I hope you enjoy these summer months!

Sincerely,

Kevin Golinghorst, PE
President, SAME St. Louis Post

INTERESTED IN CAREER OPPORTUNITIES?

US NAVY RESERVE – The Navy has openings for Civil Engineer Corps (CEC) and Engineering Duty Officer (EDO) Reserve Officers, among others. Please contact Lt. Jack Ramage in charge of Officer Production for the Talent Acquisition Onboarding Center St. Louis.

Contact: Lt. Jack Ramage – John.L.Ramage@navy.mil or C: 314-610-4005

VETERANS CURATION PROGRAM (VCP)

The Veterans Curation Program is underway. The Program will be accepting applications for the Fall 2022 later this spring. Please visit the site for more information and to download an application.

To learn more about the Program and download an application, visit www.VeteransCurationProgram.org.

Career Opportunity – Olsson

Senior Project Manager – Federal

As a Senior Project Manager, you will be responsible for the successful planning, execution, monitoring, control, and closure for federal planning and design projects. You will serve as project manager on these large and complex projects for the firm and will organize, coordinate, and lead multi-discipline project teams to ensure successful execution. These large and complex projects will include vertical facilities (dormitories, hangars, dining facilities, visitor centers, etc.), horizontal facilities (roads, trails, airfields, utilities, etc.), and water resources (dams, channels, flood-plain management). You will also lead design-build proposals and provide complete designer of record services as part of the design-build team. We have one position available and will consider candidates interested in being located out of our Omaha, Oklahoma City, or Kansas City office locations. Please visit www.olsson.com/careers/current-openings for more information.

SAME/SMPS INDUSTRY DAY

Thanks once again to everyone who attended the 2022 SAME/SMPS St. Louis Post Industry Day! All presentations are now available for download: <https://www.same.org/St-Louis/STL-Industry-Day>.

Save the date! Next year's Industry Day will be April 19-20, 2023. More information will be shared soon!

Scholarship Applications Due June 17

The mission of the St. Louis Post of SAME is to provide a forum for all individuals and corporations, both civilian and military, to strengthening their relationships, improve their capabilities, and volunteer their services, all this being for the benefit and readiness of the St. Louis area and for the security and strength of the nation.

Sophomore, Junior, and Senior college students (as of the fall semester of 2022) are invited to complete and submit a scholarship application form for consideration by the St. Louis Post SAME Education and Mentoring Committee. The program may vary depending on the applications received.

Qualifying candidates must meet the following requirements for consideration:

- Currently enrolled as a full-time student and in good academic standing at his/her respective college or university
- Attending a college/university generally recognized to be in the St. Louis region (generally including eastern and central Missouri, or western, central, and southern Illinois)

Candidates receive additional consideration if they are active members of a Student Post of the Society of American Military Engineers.

To be considered for a scholarship, your completed application must include the following attachments:

- A certified copy of your college transcript of your grades
- A Letter of Recommendation from a commanding officer, academic adviser, or instructor/professor

All requested information must be received by end of day **Friday, June 17, 2022**.

RECENT EVENTS

St. Louis Post Receives Post Streamer Award

The St. Louis Post was awarded a Post Streamer award, with distinction as a medium post, by SAME National.

A Post Streamer award is given to a SAME post based on exceeding their yearly requirements in the fields of membership, education and training, relationships and recognition, community outreach, emergency preparedness, and homeland security.

SAVE Training

SAVE training on May 6 was well attended. We were happy to be able to hold the training in person again!

Dredge Potter Tour

Thanks to everyone who came out for lunch and our tour of the USACE Dredge Potter on May 26!
