DISTRICT MATOC/SATOC STATUS

5

General Construction:

- Various Powerhouses – Life Safety/Fire Alarm System Upgrades FY24+
- Powerhouse Annunciation System Upgrades – FY24+
- MNA/Lower Snake River Navlock Tainter Valves/System Replacement – FY24
- NEW Crane MATOC – FY25+/-
- NEW Metal Fab MATOC – FY25

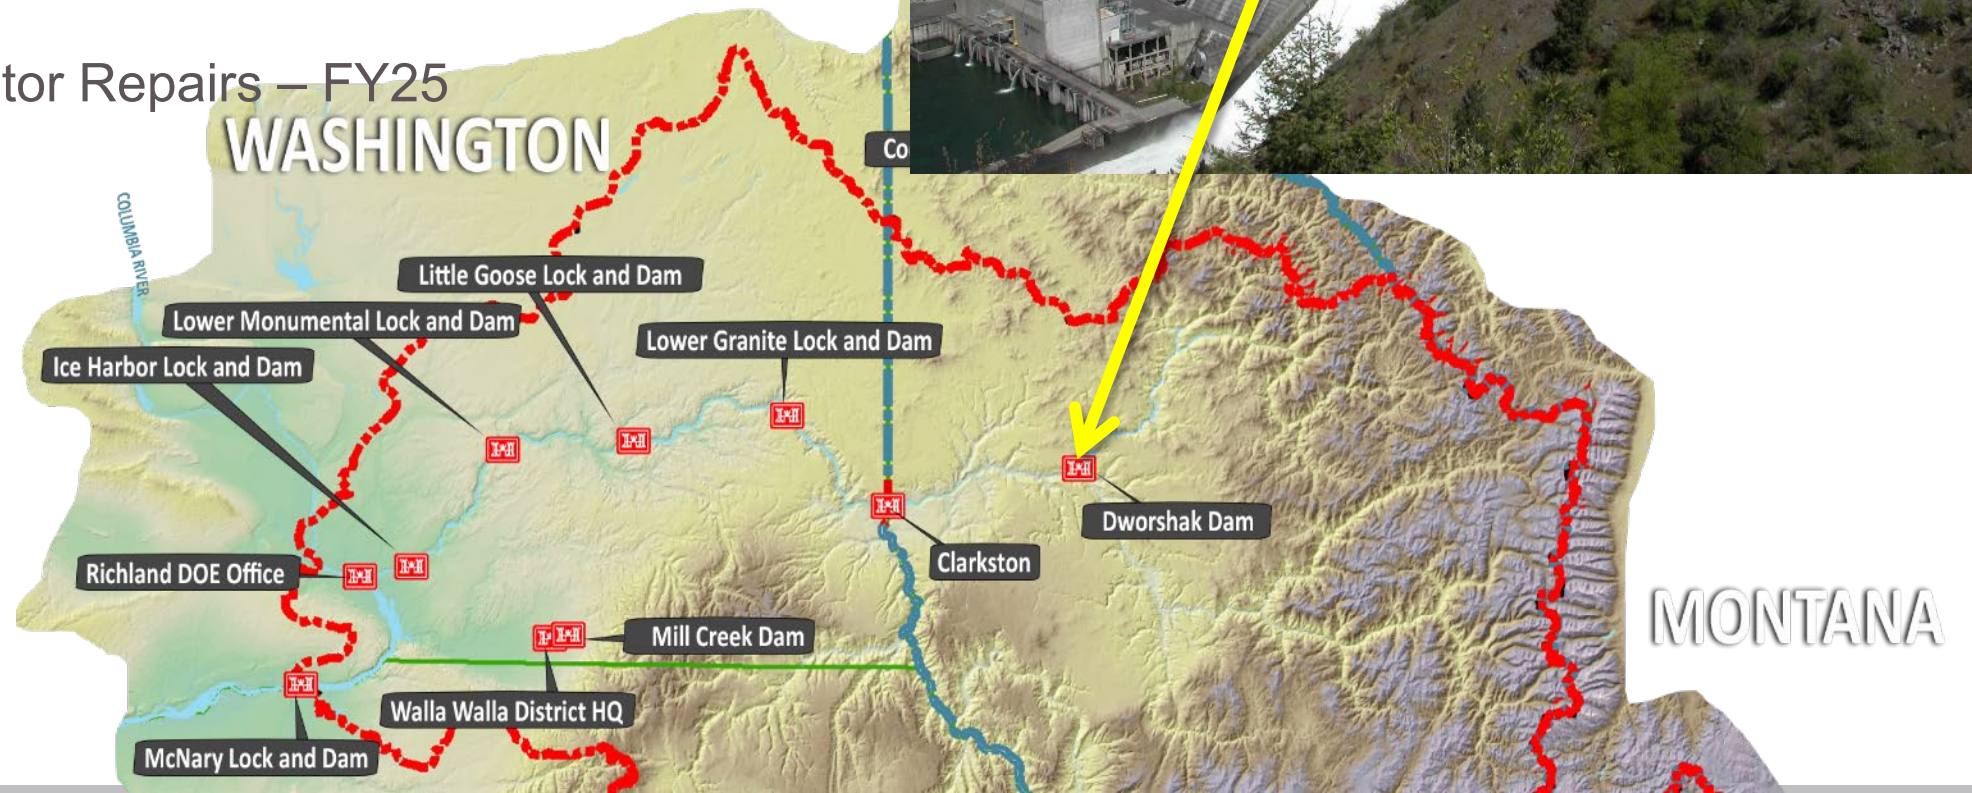

A/E Support Contracts:

- Survey and Mapping – FY24

DWORSHAK DAM

General Construction:

- Fish Hatchery Elect. System Upgrades
 - ✓ Design/Build Contract FY24
 - ✓ Misc. Supply Contracts (FY24+)
- Boiler/Heating System Upgrade FY25
- Repave Dent Acres Inner Loop and Lewiston Levee Trail FY24
- North Tower Elevator Repairs – FY25

LOWER GRANITE LOCK & DAM

Hydropower:

- Main Unit 2 Blade Sleeve Upgrade FY24
- Lower Granite Life Safety Fire Alarm System Upgrade FY24

General Construction:

- Fish Ladder Turn Pool Gate Supply FY24
- Navigation Lock Controls Upgrades FY25/26
- Lewiston Levee Trail Repair FY24

General Supply:

- Navigation Lock Switchgear Replacement FY25
- Stilling Basin Sediment Removal FY24

LITTLE GOOSE LOCK & DAM

Hydropower:

- Spare Transformer for Lower Snake River (LSR) Plants FY24/25
- Powerhouse Annuciation and Controls FY25
- Discharge Ring Upgrade & Turbine Blade Cavitation Repair FY24
- Life Safety Fire Alarm System Upgrade FY26+

General Construction:

- Replace Navigation Lock Upstream Gate Hoist Machinery FY25
- Visual Monitoring Security System FY24
- Adult Ladder Cooling Intake Flap Gate FY25
- Stilling Basin Sediment Removal FY25

WHERE TO GO FOR PROJECT / CONTRACT DETAILS!

<https://www.nww.usace.army.mil/Business-With-Us/Small-Business/>

Home / Business With Us / Small Business

Small Business Office

Welcome

The U.S. Army Corps of Engineers has a strong commitment to the Small Business Program and uses set-aside, sub-contracting and evaluation preference programs authorized by the [Federal Acquisition Regulations \(FAR\)](#). Set aside programs protect small firms from having to compete with large firms. All large firms are required to assist us in meeting our Small Business targets by providing sub-contracting opportunities to all small businesses, and evaluation preference programs allow the federal government to award contracts to smaller firms even if their offered price is slightly higher than a large firm's price.

Mission Statement

To sustain the U.S. Army Corps of Engineers as a premier organization in developing small businesses and maximizing their opportunities to participate in our procurements, thereby ensuring a broad base of capable suppliers to support the U.S. Army Corps of Engineers mission and strengthen our Nation's economic development.

Contracting Opportunities
