

AOR Coordination

- The RPEC is responsible for all environmental and planning work within the SWT, SWF, SWG and SWL boundaries.
- All work that physically occurs outside of the SWD boundaries must be coordinated through the Division Office POCs.
- No Exceptions - including programs for which there is an MOU or MOA in place.

Acquisition Steps

- Pre Solicitation Documentation (market research, acquisition strategy, etc.)
- Develop all parts of the RFP (Sections B, C, L, and M)
- District Approval (Contracting, Legal)
- SCO/HQ (Senior Contracting Official)
- Post to Beta.SAM.gov
- 30 day minimum RFP
- Proposals received
- Review/consensus
- Board Report – contracting/legal reviews, SCO review.
- \$ Thresholds impact Schedule.(>\$50M; >\$100M,>\$250M)
